-Attractiveness in Business and in the Life Science fields of Osaka-

In commemoration of Osaka and Melbourne's continual sister city exchanges, this year's Osaka seminar will be held in Melbourne. Taking this opportunity, the Vice Mayor of Osaka is pleased to introduce the current investment environment and the attraction of investments in Osaka. The Osaka Chamber of Commerce and Industry (OCCI) and the Osaka Business and Investment Center (O-BIC) from the Osaka Prefectural Government will then speak about the strengths of Osaka in its life science development. From Biomedical Research Victoria, you will hear about the advantages of consistent cooperation with Osaka. And in closing, we will be holding a networking reception. We sincerely look forward to your participation.
